

3M Electrical Tape Sweepstakes Winner Named

A professional electrician, Tom Corradini of Kenosha, Wis., has won 3M's latest Scotch Super 33+ vinyl electrical tape sweepstakes. He and a friend will go to the Richard Petty Driving Experience KING'S EXPERIENCE at a location of Corradini's choice.

Earlier this year, packages of Scotch Super 33+ tape from 3M had a label with a unique code number on the back. By going online and entering the code number, buyers were entered in the Richard Petty Driving Experience sweepstakes and had a chance of instantly winning a NASCAR-licensed product: racing jacket, die cast car, lunch cooler, T-shirt or hat.

At the same time, 44,194 buyers of 15 rolls of Scotch Super 33+ tape, Scotch vinyl electrical tape 35 and Scotch vinyl electrical tape super 88 at participating electrical distributors received Scotch-branded thermoses.

The 3M Electrical Markets Division, based in Austin, Texas, designs, manufactures and markets products for electrical construction, industrial maintenance, utility and industrial power businesses, and electrical/electronic devices produced by original equipment manufacturers. Division products include electrical and electronic specialty insulating tapes; power cable splices and terminations, including cold and heat shrink technologies; cable arc and fire resistant tapes; heat shrinkable tubing and molded shapes for electrical insulation; electrical wire connectors; wire terminals, tools and lugs; wire marking products; cable ties; underground/underwater electrical system products; and electrical diagnostic and detection products.
