

## All American Semiconductor Joins 3M Touch Systems Distributor Network

3M Touch Systems, Inc. introduces today All American Semiconductor, LLC as its newest authorized North American distributor for MicroTouch™ touch systems and touch monitors. All American will be stocking and distributing the popular screen sizes of MicroTouch ClearTek™ II and ToughTouch II surface capacitive touch sensors, the broad array of EX II capacitive touch electronics and SC Series resistive touch electronics, and the complete line of MicroTouch-brand touch monitors.

“Based on their reputation for reliable product fulfillment and outstanding customer service, 3M is very pleased that All American will again be distributing MicroTouch touch products,” said Larry Loerch, North American Sales Manager, 3M Touch Systems.

“3M offers the best capacitive touch screens in the industry and we’re glad to offer these high-quality products to our customers,” said Jamil Nizam, President, All American Semiconductor.
