

3M Showcases Large-format Multi-touch Capabilities at Digital Signage Expo 2013

- Demonstrating Innovation Leadership in Ultra Large-format PCAP Technology Solutions -

As an innovation leader in projected capacitive (PCAP) touchscreen technology and electronics, 3M Touch Systems, a wholly-owned subsidiary of 3M Company, will be showcasing its multi-touch expertise at Digital Signage Expo 2013 (February 27-28 in Las Vegas). 3M will be featuring two “must see” large-format multi-touch display prototypes that include an 84-inch collaboration table concept and a 55-inch interactive digital wall display, featuring a remarkable 40 simultaneous touch points. This combination of expansive on-screen collaboration space and 3M’s high-performance multi-touch technology offers digital signage customers an unparalleled multi-user experience across a variety of interactive applications.

In addition to these ultra large-format display prototypes, 3M Touch Systems will be previewing its 46-inch 3M Multi-Touch Display C4667PW chassis display in a table format and a 1x2 multi-monitor, multi-user wall configuration as well as, its new 21.5-inch 3M Multi-Touch Display C2167PW chassis display.

3M Touch Systems will be also be exhibiting its expanding line of commercially-available multi-touch products that include the class-leading 32-inch 3M Multi-Touch Display C3266PW chassis display in both a table format and as a flat front surface (FFS) integration demonstrator. Also, on exhibit are 3M’s family of sleekly-designed multi-touch desktop displays that include the 27-inch 3M Multi-Touch Display M2767PW, 24-inch 3M Multi-Touch Display M2467PW, and 21.5-inch 3M Multi-Touch Display M2167PW.

3M will also feature its line of Dual-Touch chassis displays in 15-inch, 17-inch, and 19-inch as well as, a 46-inch 3M Dispersive Signal Technology (DST) display.

All 3M Multi-Touch and Dual-touch Displays are available from leading U.S. distributors (BlueStar, Ingram Micro, ScanSource, SYNEX, and Tech Data), popular on-line retailers, and 3M’s online store, www.Shop3M.com.
